#	Received	Question	Response Date
1	04/16/2026	Statement: I do not see any plans for this project, Question: Are there no plans? If you have plans, please email them to me.	04/16/2026
Response by Owner			
<p>Are there no plans? There are no plans for this project. As indicated in Section I. Instructions to Bidders, Purpose: The Mount Holly Municipal Utilities Authority (Owner) is seeking sealed bids from experienced, material manufacturer qualified/certified and fully insured contractors to provide pricing for all goods and services for rehabilitation of sanitary manhole structures of varying diameter, depth, and materials of construction as identified herein.</p> <p>Bidders shall provide pricing as requested for each price schedule (diameter, depth, and materials of construction) included in the specification.</p> <ol style="list-style-type: none"> 1. The overall condition of each sanitary sewer manhole and recommendations for lining/coating materials and component systems can only be determined after thorough cleaning and inspection of each sanitary sewer manhole is completed by the Contractor. 2. Upon inspection the Contractor shall provide the Owner with recommendations for liner/coating materials and component systems for each sanitary sewer manhole. 3. Recommendations shall be supported by design, engineering and specification data from the Contractor selected liner/coating materials and component systems manufacturer.
